

# VALOR BRIDGE

## COACHING LEADERSHIP DEVELOPMENT

### Adapting Military Competencies Into Business Leadership

**What is it?** A leadership development program for transitioning veterans of war structured as a collaboration with the business community through relationships, curriculum, and a mentoring partnership.

**Which is?** A template to prosperity that develops business aptitude and wherewithal, including a positioning process into business environments and/or markets suitable for both parties.

**How?** Valor Bridge provides a full encompassing process including resources, networking opportunities, and a partnership of coaching and learning.

### THE IDEAL CANDIDATE

**A known, respected, and proven specialist in areas such as:**

- Leadership Skills
- Communication Skills and Coaching
- Resume Building
- Interview Skills
- Time Management
- Emotional Intelligence
- Putting Skill Sets into Practice
- Career Search Strategies
- Authenticity in Work/Life Interactions
- Negotiations

### Is this for you?

- Are you an expert in your field?
- Are you searching to give back to our nation's veterans of war?
- Are you eager to work alongside the brightest minds in the military community?

Looking to volunteer in a different capacity than what is listed above? We would love to discuss how you can help! Please contact [info@valorbridge.org](mailto:info@valorbridge.org).
